Lampiran 12 Desain tampilan buat akun

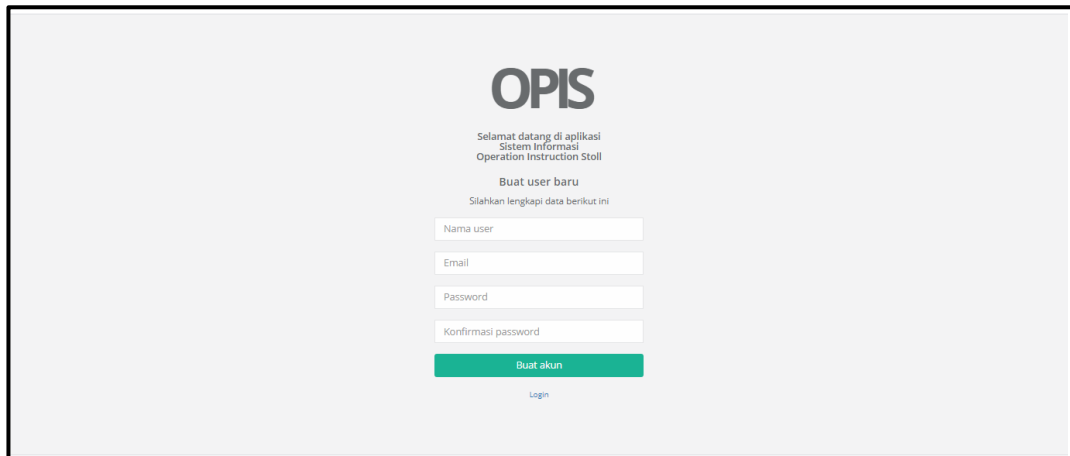

The registration form is centered on a white background. At the top, there is a circular logo containing the text "Nama Program". Below the logo, the instruction "Silahkan lengkapi data berikut" is displayed. The form consists of four stacked input fields: "Nama", "Email", "Password", and "Konfirmasi Password". A green button labeled "Buat Akun" is positioned below the input fields, and a "Login" link is located directly underneath the button.

Lampiran 13 Desain tampilan lupa password

The forgot password form is centered on a white background. At the top, there is a circular logo containing the text "Nama Program". Below the logo, the text "Lupa password" is displayed. The form consists of a single input field labeled "email". A green button labeled "Kirim link email" is positioned below the input field. A large, faint watermark of the logo of Politeknik STIT Bandung is visible in the background.
